

Smashed Lemon

Spring/Summer 2026

Postcards from
PARADISE

It all started with a group chat and a one-way ticket to Mallorca.

Three girls. One Ibiza-style villa perched on sun-soaked cliffs. Zero plans—except to chase sunsets, dance barefoot in the sand, and wear every single outfit in their suitcase. From morning dips in turquoise coves to rooftop dinners under string lights, this was the kind of trip where memories are made in mismatched swimsuits, oversized sunnies, and breezy dresses that catch the sea breeze just right.

The Summer '26 collection is a love letter to carefree escapes and sunkissed skin. Think warm earthy tones echoing sun-baked rocks and terracotta rooftops, brought to life with Parisian pops of electric blue, cherry red, and the prettiest baby pink—like a gelato cone in hand, melting too fast to matter. The pieces come alive in textured fabrics, playful silhouettes, and flowy materials that move as effortlessly as your best holiday stories.

This season, the Smashed Lemon women isn't just dressing for summer —she's living it.

Strong graphic language comes through in bold vertical stripes, embroidered motifs, and statement prints—all designed to mix seamlessly or stand alone.

Highlights include:

- Relaxed shirting and dresses in Tencel for elevated comfort
- Playful heart and bandana-inspired graphic prints for added charm
- Voluminous sleeves and smocking details that enhance silhouette variety
- Denim-on-denim layering pieces to modernize the classic tricolor scheme

From city strolls to coastal getaways, Ciel Parisien is the perfect blend of spirited femininity and urban polish—making it a standout story for the high summer delivery window.

Crimson SOMBRILLA

Step into the radiant boldness of Crimson Sombrilla, a high-summer capsule where striking design meets airy sophistication. This group draws from the vivid energy of Mediterranean afternoons—where crisp shadows fall under striped awnings (sombrillas) and color-saturated blooms thrive in the sun.

The palette is a confident blend of crimson red, optic white, and bright baby pink, evoking vibrancy and modern femininity. Signature pieces play with scale and contrast: oversized florals, bold vertical stripes, and a balanced mix of graphic prints and textural solids.

Key fabrics include:

- Liquid-touch viscose for graceful movement and elevated fluidity
- Linen blends for breathable structure and a sun-washed matte feel
- Delicate broderie anglais for romantic texture with a fresh twist

Expect a dynamic range of silhouettes: from statement dresses and two-piece sets to breezy wide-leg trousers, layering blouses, and soft tailoring. Designed to mix and match seamlessly, the collection enables striking head-to-toe tonal looks or graphic high-contrast styling.

Crimson Sombrilla is made for the woman who dresses with intention—effortlessly bold, always polished, and ready for sun-drenched days ahead.
